Junior Master Exhibitors

As of 5/2/19

This is a listing of all Junior Exhibitors who have reached the level of Master Exhibitor, and the date they reached that level. To achieve the level of Junior Master Exhibitor, the Junior must have reached 100 points earned in all varieties added together before the youth's 18th birthday. These points are only collected on Ameraucana exhibited by juniors competing against other juniors (NOT Open Show competition).
